London Networking Event

SUMMER | WINTER

Our two London events are the biggest of their kind in legal. We attract over 300 business services professionals from more than 100 law firms.

Key benefits of our events

- Meet key people across law firm management
- Build your network
- Cement existing relationships
- Influence user buying decisions

Key benefits of sponsoring an LSN event

- Present a prize at a law firm's offices (organised by us)
- Attract law firm professionals to your branded area with your activity

Regional Networking

LEEDS | MANCHESTER | BRISTOL | BIRMINGHAM

The same key benefits as above but with a more intimate feel. We tend to attract 60-80 professionals at each of the four cities across the UK.
